

TENNESSEE REGION 3 TOURNAMENT

March 1, 2014
Franklin Road Academy

ABOUT US

Destination Imagination is an educational program where student teams solve open-ended Challenges and present their solutions at tournaments. In working to solve our Challenges, our teams learn important life skills like time management, collaboration, conflict resolution, and creative and critical thinking.

OUR VISION

To be the global leader in teaching the creative process from imagination to innovation.

OUR MISSION

To develop opportunities that inspire the global community of learners to utilize diverse approaches in applying 21st Century Skills and creativity.

The Destination Imagination program encourages teams of learners to have fun, take risks, focus, and frame challenges while incorporating STEM (science, technology, engineering, and mathematics), the arts, and service learning. Our participants learn patience, flexibility, persistence, ethics, respect for others and their ideas, and the collaborative problem solving process. Teams may showcase their solutions at a tournament.

This tournament would not be possible without the generous contributions of time and energy from a multitude of faculty and staff from Franklin Road Academy. In particular, we wish to recognize Dean Rick West and Mike Arnold for their invaluable contributions.

In addition, Region 3 is grateful for the advice and assistance of the TN DI Board, including Linda Chambers, our Affiliate Director.

Special thanks to Sandy Webster, for your patience, kindness, and always-wise advice and for everything you do to make Regions 3 and 4 successful. You've been an amazing mentor and role model.

– Ryan Huber, Region 3 Director
